CIVIL ACTION NO.

**1:06-CV-1891**

JTC

**PLAINTIFFS' MOTION TO EXPEDITE CONSIDERATION OF  
PLAINTIFFS' MOTION FOR PRELIMINARY INJUNCTION  
AND FOR LEAVE TO EXCEED PAGE LIMITATIONS**

Pursuant to Local Rules 7.2(B) and 7.1(D) of the Northern District of Georgia and the inherent powers of the Court, Plaintiffs respectfully request that the Court enter a show-cause order setting an expedited hearing and briefing schedule on Plaintiffs' motion for a preliminary injunction at its earliest opportunity. In addition, in connection with the briefing on the preliminary injunction motion, Plaintiffs request that the parties be allowed to file briefs in excess of the page limitations set forth in L.R. 7.1(D), as follows: briefs in support of or in response to the preliminary injunction motion may be up to 40 pages in

length, and Plaintiffs' reply brief may be up to 20 pages in length. In further support of their motion, Plaintiffs state as follows:

In their Complaint, Plaintiffs seek to have this Court invalidate and enjoin a regulation recently passed by the Georgia State Election Board which imposes severe restrictions on the right of Plaintiffs and other private entities to conduct voter registration drives within Georgia. *See* Ga. Comp. R. & Regs. r. 183-1-6-.03(3)(o)(2) (as amended eff. Jan. 17, 2006) (the "Regulation"). The Regulation requires completed voter registration applications to be separately sealed by the applicants before being handed to a private entity (the "sealing requirement") and prohibits copying of completed voter registration applications (the "copying ban"). Plaintiffs contend that the Regulation violates their rights under the National Voter Registration Act of 1993, 42 U.S.C. § 1973gg *et seq.* ("NVRA"), and the First and Fourteenth Amendments to the Constitution.

Plaintiffs have asked for a preliminary injunction because they are being irreparably harmed by the Regulation, which is significantly interfering with and burdening (and in some cases completely foreclosing) their ability and right to plan and implement effective voter registration, education, and get-out-the-vote ("GOTV") programs in Georgia in connection with the upcoming statewide

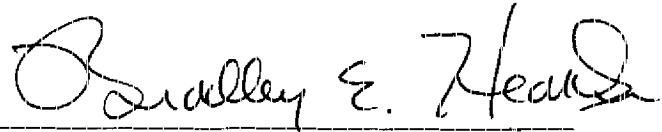

general election in November 2006, which includes candidates for federal, statewide, and local office. The voter registration deadline for the November elections is October 10, 2006 (less than two months away). Plaintiffs need to begin their voter registration activities as soon as possible if there is to be any hope of mounting any effective civic engagement programs in Georgia for this election season.

WHEREFORE, Plaintiffs pray that their motion to expedite consideration of the preliminary injunction motion and for leave to file briefs in excess of page limitations will be granted. **A proposed Order is attached for the Court's convenience.**
